Frequently Asked Questions

How do I find my current balance?

Options to get your balance:

1. Log in or register for **My Account** to view your balance and previous bills.
2. Call **1-855-642-8607** to hear your current account balance by entering the telephone number and street address associated with your account, then selecting the option for "Billing."
3. Your balance is shown on the first page of your bill. If you made a payment or credits have been applied since your bill was issued, the actual balance may be different.

How do I opt into paperless billing?

Help reduce waste with convenient paperless billing. Get an email notification from info@billing.enercare.ca to your inbox each month. Plus, save the monthly paper bill fee of **\$1.50**.

Follow these steps to opt in:

1. Log in or register for **My Account**.
2. Click the **Billing icon** in the top menu bar. You'll be directed to the Billing overview page.
3. Click the **Set up** button next to Paperless billing in the Billing preferences section
4. Click the **Enable paperless billing** button to enroll. You're all set!

How is the late payment penalty calculated?

A late payment penalty will apply if a payment is not received by the due date on your bill. The penalty is 1.5% per month on unpaid balance and will be added to your next bill.
